SHOWA ATLAS® 305

Combining hard-wearing strength with comfort ensures that these ergonomically designed gloves are ideal for all general-purpose jobs. The fingertips feature extra-deep grooves for gripping onto small components and heavy objects. An additional coating on the knuckles provides added protection and comfort over long periods of use.

BENEFITS

- Extra Grip
- Form-fitting
- Increased dexterity

USER INSTRUCTIONS

Gloves provide protection from chemical and mechanical hazards shown. Do not use gloves that show signs of wear. If required, cleanse outer surface of glove with running water. Discard used gloves in compliance with local regulations. Do not wear gloves when there is a risk of entanglement by moving parts of machines.

DISCLAIMER

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications it deems necessary.
