

Squall Series Rain Gear
.20mm PVC Rainwear
2 Piece Waterproof Clear Rain Coat
Detachable Hood

The Squall Series rain wear provides outstanding value with plenty of features! The 072C light weight PVC raincoat provides a unique clear color that allows the wearers' uniform or clothing color underneath to be seen. This allows for easier identification of workers that might require different colors of workwear underneath their rainwear. The 072C features a detachable drawstring hood, snap front closure, cape ventilated back, and take up snaps on each wrist. Looking for the best rainwear options? Look no further than MCR Safety!
